and filtration

Lennox® Box Media Air Cleaners

Innovation never felt so good.™

Removes particles and bioaerosols ranging in size down to .3 microns

Box style allows for easy installation and replacement

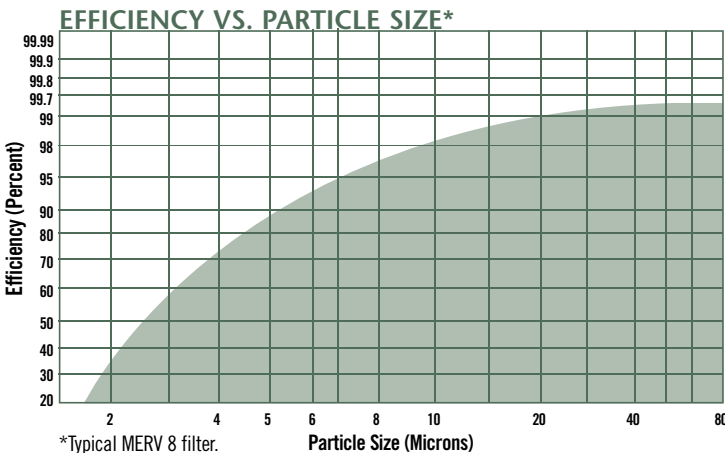

WARRANTY

5-year limited warranty on covered components.

CLEANER AIR HELPS YOU BREATHE EASIER

The Lennox Healthy Climate® Box Media Air Cleaner (BMAC) is designed to capture smaller particles that slip past most conventional filters. It keeps clean air circulating throughout your home, which makes your heating and cooling system work more efficiently.

Conventional filters capture pollutants mainly by trapping larger particles on the filter surface, which restricts airflow. The Box Media Air Cleaner draws particles as small as .3 microns deep inside the filter, allowing maximum airflow and filtration efficiency. The result is cleaner air, lower utility bills and longer filter life.

- ◆ Pleated media filter (MERV 8)
- ◆ Cabinet-housed 3" or 5" filter
- ◆ Models BMAC-14CE/20CE are upgradeable to an Electronic Air Cleaner
- ◆ Assortment of replacement filters to fit most air cleaners on the market today

BMAC Specifications

CABINET MODEL	Nominal Filter Size ² (in.)	Nominal Rated Air Flow ³ (cfm)	Initial Pressure Drop (in. w.c.)	ASHRAE 52.1 Dust Holding Capacity (gm.)	Estimated Service Life (Months)
BMAC-12C	16 x 25 x 3	1,200	.19	42.00	6
(filter only)	16 x 20 x 5	1,000	.21	23.00	12
(filter only)	16 x 25 x 5	1,200	.20	40.00	12
BMAC-14CE ¹	16 x 26 x 5	1,200	.14	48.00	12
(filter only)	20 x 20 x 5	1,200	.19	48.00	12
BMAC-20C	20 x 25 x 5	2,000	.25	20.00	12
(filter only) ⁴	20 x 25 x 5	2,000	.28	53.80	12
BMAC-20CE ¹	20 x 26 x 5	2,000	.19	47.00	12

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.

Warranties noted apply to residential applications only and are limited. Please see actual warranty for details.

¹ Models are upgradeable to Lennox Electronic Air cleaner. Call your Lennox dealer for options.

² Filters will replace most manufacturers' media air cleaners

³ Filters may be used in applications that require higher airflow, but this may result in greater initial pressure drop and shorter filter life

⁴ Actual filter is 20-1/4" x 24-1/4" x 5"—direct replacement for Trion® Air Bear and Honeywell models
